

Assessment of Student Learning Outcomes

Ohio Dominican University adopted a revised set of student learning outcomes for the degree-seeking undergraduate students in Spring 2016 (approved by the Faculty Senate on February 10, 2016). A five-year rotation will be used to assess each outcome across general education and major coursework. An additional outcome of Specialized Knowledge will be assessed through ongoing major program assessments and the five-year rotation of Academic Assessment Focus Groups. (Revised 2/7/2023)
