

Program Assessment Survey EXAMPLE

Each fall, the Academic Assessment Committee sends a Program Assessment Survey to gather assessment information from each degree program area. The surveys are one way for faculty to engage in ongoing assessment discussion at the program level. Program faculty should discuss the questions as a team, but only one survey needs to be completed for each degree program. The survey should be completed by the faculty "point person" for the program. **Please complete the Fall survey by November 15th.** If you have questions or concerns, please contact Dawn Wallace-Paige, Director of Academic Assessment, and Data and Institutional Research or any member of
